## Journeyman Helper

### Description

The Journeyman Helper assists in the maintenance of existing equipment and the installation of new equipment throughout the plant.

### Qualifications

- A grade 12 education or equivalent.
- Excellent mechanical aptitude.
- 3 to 5 years' maintenance experience in an industrial setting.
- Must be a self starter with the ability to use initiative.
- Must be able to work independently and as part of a team.
- Good working relationship with supervisors and fellow employees.
- Willing and available for shift-work, including weekends, holidays and emergency call-outs as required.

### Responsibilities

- Helps maintain and repair equipment and components under the direction of a supervisor or qualified journeyman.
- Performs designated duties as assigned such as corrugation, cleaning, construction, painting and other maintenance and mechanical work as trained and required.
- Communicates with other departments in a courteous and diplomatic manner, always showing a high degree of cooperation.
- Is aware of critical control points as they relate to product liability.
- Works responsibly throughout scheduled shifts.
- Responsible for compliance with Canada Labour Occupational Health and Safety requirements and company safety standards.
- Follows Good Manufacturing Practices (GMP's) while performing tasks in production areas.
- Performs other tasks, including training, as required.
